Questions for Guided Reading 2, Part 2 - Answer Key

4. Why should you get your credit report?

To find problems or mistakes and fix them.

5. Why do you want to know what is in your credit report?

*Because the information in the credit report can help
decide whether you get a loan, a credit card, a job,
or insurance.*

6. What are four things you can do to improve your credit?

Pay my bills by the due date

Lower the amount I owe

Do not get new credit cards

Do not close older credit cards
