## Questions for Making a Story About Credit

Who is the story about? What is the person's name?

---

---

At the beginning of the story, does the person have no credit history, a bad credit history, or a good credit history?

---

---

What does the person want to do? Build a credit history? Improve the credit history? Keep a good credit history?

---

---

What does the person do? What happens?

---

---

How does the story end?

---

---
